

# *December Newsletter*

2022 has been a year of change for the club. A successful transition was made from Margaret's shed to the Malanda Bowls Club Premises. One airconditioner was installed in time for the really hot weather, and another one should be installed soon. New floor covering has been installed in the Ladies bathroom and it looks really good.

The bridge Christmas Party was held last Monday, with a game of barefoot bowls with members and their partners. This was followed by a feast of pizza from the local Malanda pizza shop. This was organised by Lynn, and it was a great success. Thank you, Lynn.
