Malanda Bridge Club

The bridge world continues during this Covid year. Online bridge is becoming more popular, with our local clubs embracing the game, and also returning to face-to-face games.

An interclub competition was conducted over two Mondays this month. There were twelve pairs competing and it was a closely contested game, with only 0.76% separating the first three pairs.

The results were: -

- 1st- Bruce Bowden and Pam Jamieson 58.65%
- 2nd- Sonja Ramsund and Debra Peters 58.48%
- 3rd- Margaret Azar and Lynn Viegel 57.89%

Thank you everyone who participated in this competition.

Pamela Bramich suggested that we should all get together once a month for a social lunch, as we do not have a lot of time to relax and have a chat at our games. So, this month saw the start of everyone getting together at one of the local hotel dining rooms. I believe that everyone had a lovely time.

Some humour
